

# Health, Safety, Environment and Sustainability Policy and Commitment

MarramWind aims for excellence in the management of Health, Safety, Environment and Sustainability. Caring for each other and the environment is what we do each day and is core to our business objectives and decision making.

The MarramWind **HSE and Sustainability Policy and Commitment** sets out a combined set of values and principles for integrated HSE and Sustainability management throughout the lifecycle of the project.

## COMMITMENT

In MarramWind we are committed to:

- ❖ Pursuing a goal of no harm to people or the environment;
- ❖ Preventing and Minimising our HSE risks by implementing mitigation measures to protect people, assets, communities and the environment;
- ❖ Creating an open and honest culture of inclusion, care, and engagement;
- ❖ Driving continuous improvement of HSE and Sustainability standards and best practices by collaborating with partners and industry bodies;
- ❖ Incorporating Safety by Design and Human Factors throughout the development phase;
- ❖ Adopting a learner mindset so we continuously improve and learn from events;
- ❖ Supporting implementation of nature-based solutions and biodiversity enhancement;
- ❖ Striving towards net zero by adopting emission reduction opportunities;
- ❖ Promoting circular economy and reducing use of raw resources and waste generation;
- ❖ Collaborating with supply chain and industry partners to promote sustainable procurement and deliver our sustainability strategy;
- ❖ Maximising economic benefits by engaging with local communities to identify opportunities to make a positive contribution to the communities within which we work and;
- ❖ Challenging ourselves and each other on how we fulfil this policy.

## POLICY
